Community Soils OU.PDF

John – I am forwarding to you a copy of Atlantic Richfield's Notice of Intent to Comply with EPA's recently issued order for the Community Soils OU RD/RA. In confirming the company's intent to comply, the letter also explains the company's perspective on managing the conflict posed by an order in the *Christian* litigation with implementation of the Community Soils Work under the UAO.

I hope you enjoy a great Thanksgiving Holiday with your family if I don't speak with you next week.

Bill
